

ISOFLEX™ MECHANISM CREATES AN ERGONOMICALLY SUPERIOR, STACKABLE CHAIR

ALIGNS ISOFLEX™ Contour Zone insures proper spine alignment for comfort, increasing the user's ability to maintain attention

SUPPORTS Compound contoured seat and back provides lumbar support and cradles the back for long-term comfort

ADJUSTS Automatically adjusts to user, regardless of size

TILTS Rear of seat tilts up as chair back flexes backwards, allowing reduction of pressure to upper legs

SYNCHRONOUS SEAT AND BACK MOTION PROVIDE EXCEPTIONAL LONG TERM COMFORT
