Suspension Kit (One 59.5" cable and 1 adjustable anchor)	\$44
Suspension Kit (One 157.5" cable and 1 adjustable anchor)	\$61

CUSTOM SIZE PANELS

Special sizes are between 13.75" and 94.5"

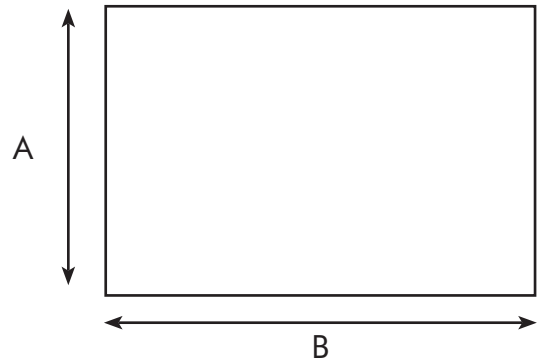

A standard and B special
A special and B standard
A special and B special

10% to next largest standard size
10% to next largest standard size
15% to next largest standard size

Example A 47.25 - B 69" to consider the panel 46.25 x 71 + 10%
Example A 45.25 - B 94.5" to consider the panel 46.25 x 94.5 + 10%
Example A 45.25 - B 82.75" to consider the panel 46.25 x 94.5 + 15%

PRINTS

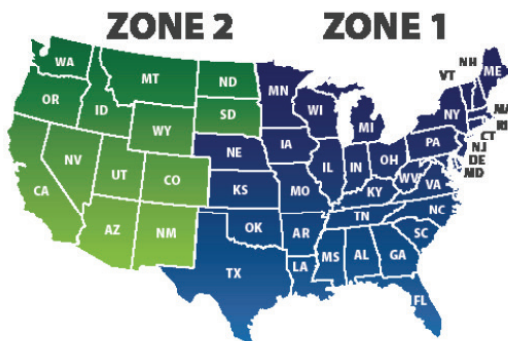

Provide graphic artwork 10" larger for length and width to insure wrap coverage.

A dimension 47.25" max height + 10" wrap = 57.25" maximum width
B dimension no maximum

When purchasing multiple printed panels, combine all panels to determine B dimension upcharge, regardless of number of graphics used.
24 linear inches - 382 linear inches = \$309 per linear 36 inches
1,155 linear inches - 1,968 linear inches = \$281 per linear 36 inches
more than 1,968 linear inches = \$259 per linear 36 inches

EXAMPLE:
3 panels 48" H X 48" W
Dim B = 48" + 10" wrap = 58" per panel
Dim B = 58" x 3 panels = 174"
Upcharge = 174" ÷ 36" = 4.8 X \$309 = \$1,483

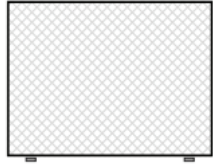

- All product and option pricing is list and includes freight to zone 1.
- Zone 2 pricing add 4%.
- Small Order Charge - Orders with a combined Net price under \$1,000 will be subject to a Special Handling Charge of \$125 Net. One charge per order
