

FALCONTM

COMIDATM Community Dining Applications

COMIDA™

Design a signature space, not just a cafeteria. Space to unwind and re-energize, space to work, meet and greet, a space which sets your best ideas free.

SUSTAINABLE DESIGN

FALCON™ takes great care to operate in an environmentally responsible way. Each manufacturing facility is located within its primary market and is focused on reducing waste, minimizing our carbon footprint, and using recycled and recyclable materials wherever possible. For more information visit mycfgroup.com/environment.aspx

TABLE TOPS

Falcon tables are manufactured with recycled core and high quality hardwoods. Wood finishes are designed to withstand the heavy use of a dining facility. Top surfaces may be laminate, veneer, Veneer Art, marmoleum, solid surface or solid wood.

REALIZE YOUR VISION™

If you don't see product to fit your special space or design, don't panic. We can work with almost any material, finish, and specification to fit any need. Send us a photograph, CAD drawing, or sketch and we will turn your vision into reality.

We offer full custom capabilities

- Custom shaped and sized tables
- Custom wood and metal chairs
- Speciality power solutions
- Built-in or reconfigurable products
- Custom woods, laminates, and finishes
- Ability to add custom logos and designs to many of our products

Custom logos and designs may be etched, carved, or painted onto products.

FINISHES Available in standard and custom finishes. Additional finishes available at falconproducts.com.
