8680 Aluminum Tufgrain
Stackable Side Chair

A photograph of a modern dining room. The room features several square wooden tables with a light-colored wood finish. Each table is surrounded by four chairs with a curved wooden frame. The chairs have a light green upholstered seat and a backrest with a white and green geometric pattern. The tables are set with silverware, napkins, and a coffee cup. In the background, there is a large window with a view of lush green trees and a building. The wall behind the tables is made of light-colored wood. The floor is a dark, polished concrete.
