Productive Lounge Solutions

FalconProducts.com

Fifth Ave

## What are the advantages of a **Productive Lounge Space** for users?

- Optimizes the available square footage so that no space sits idle.
- Facilitates the building of relationships between team members as people are more approachable
- Promotes collaboration in a relaxed environment.
- Allows people to have a change of scenery and posture through the day
- Provides hybrid workers a place to be. A place they can easily stay connected to the rest of the organization

MOSS Ditto

## Key Features of our Productive Lounge Seating:

- Easy to clean materials and design
- Seat depth and pitch designed for active work or relaxing lounge
- POWER! USB, USB-C, plug and even induction
- Specified by the inch to maximize the usable footprint and divide space
- Curves and angles create unique visuals and help maximize space
- Acoustic materials reduce ambient noise
- Creates sight line obstruction that minimizes visual noise and distraction
