## The Falcon Advantage

Falcon Seating

Style and durable construction make our seating collections perfect for education. Our chairs can be finished in a wide variety of colors, including school colors and logos. Our selection of seating includes chairs that will withstand 350 pounds.

Falcon Tables

Tables are where people, learn, eat, work and most importantly build relationships. For over 60 years, Falcon has been the trusted source for high quality tables. Our tables are available in ANY size, ANY shape, ANY finish and are manufactured in America with all North American sourced raw materials.

### Power Optiions

Today's high-tech environments demand aqvanced power solutions that are not only accessible but stylish. Falcon offers power in several configurations, ranging from simple plug-arid-play to multi-circuit daisy chained solutions. Options include simplex, USB, and USB-C outlets. Our power units are appropriate for use in kining tables, conference tables, training tables, as well as booths and lounge furniture.
