

D-S D-SPACE

Starting At: \$2344

D-Space is an excellent accessory from a functional point of view: light, practical, and stable - thanks to its pair of support feet made from satin stainless steel or from steel painted aluminum grey.

The D-Space panel is available with two types of soundabsorbing material: D-Space M with Basotect® melamine resin by Basf® and D-Space W with Whisper® material by Stratocell®.
