SLT SILENTE

Starting At: $1119

Silente is a single-sided sound-absorbing panel upholstered in fabric. Silente can be installed on the wall or on the ceiling with special tracks.

It's a highly innovative and complete solution, which can be adapted to a wide range of rooms, from office space to conference halls, theatres, and recreational educational areas. The lighting fixtures have been specifically designed to support and integrate into the sound-absorbing system. The Silente panel is available with two types of sound-absorbing material: Silente M with Basotect® melamine resin by Basf® and Silente W with Whisper® material by Stratocell®.

We maintain a small inventory of several sizes, in 48-623 and 48-625 fabrics. They are available in 2 - 6 weeks. Sizes: 47"X23.5", 47"X35.5", 47"X47", 47"X94"
