## **GLNC GLENCOE**

Why line the walls when you can command the room?

Our latest fully customizable island seating solution is designed specifically to bring high-end functionality to the center of your open-concept spaces. Perfect for high-traffic hospitality and multipurpose environments, Glencoe features stunning vertical panel designing across the backrest, capped with a richwood finish and elevated by customized banding along the base. Tailor the fabric, finishes, and layout to fit your exact project requirements. Let's build your next focal point.
