ECLIPSE 3 POWER PORTS - 120" CORD

Price: $325.00

Eclipse is a great way to round out your power and data needs. First you see its modern circular simplex design—then the face cleverly rotates to hide away when not in use. Three port options. Mounts in surface.

Standard Features:

- Soft Touch Finish available in Black, White, Green & Orange
- Technology Specifications: 3 standard outlets
- Available in 2 amp USB duplex ideal for charging iPad®, iPhone®, and all other USB compatible devices.
- Sleek design which allows product to rotate to open and close to expose or hide power
- Hole Mount (4 1/2" diameter)
- Corded only
- Able to be mounted in table tops 3/4" - 1 1/2" thick
- 120" long power cord is standard
