## ADA200 **ADA TABLE**

**Starting At:** \$463

200 Series ADA Table

### **Features:**

Recommended ADA size for most top styles is 30" x 48" (exceptions apply).

In order to meet ADA guidelines, tables must:

- Be 28" - 34" high.
- Have knee room under the table of at least 30" wide, 27" high and 19" deep.
- Allow for 60" from the wall to the table edge.

Standard height is 28.5" without the top. Top thickness varies.

### **Options:**

- Wheelchair height
