ADA2400 ADA TABLE

Starting At: $503

2400 Series ADA Table

Features:

Recommended ADA size for most top styles is 30" x 48" (exceptions apply).
In order to meet ADA guidelines, tables must:

- Be 28" - 34" high.
- Have knee room under the table of at least 30" wide, 27" high and 19" deep.
- Allow for 60" from the wall to the table edge.

Standard height is 28.25" without the top. Top thickness varies.

Options:

- Wheelchair height
