ASC-F ASCENT FOLD

The Ascent Table Collection features fluid lines and a graceful inverted "Y" leg. The tables fold and store in the most compact footprint possible.

Features:

- Easy to reach dual-level actuator
- Tables lock firmly into place for maximum stability
- Easily operated and movable by one person for fast reconfiguration
- Integrated non-marring stacking bumpers
- Chrome finish
- Beam and hardware are standard in Anthracite powdercoat finish

Standard sizes:
31.5" x 60"
31.5" x 72"

Options:

- Powdercoat available by request with an extended lead time
- Transportation cart model TKCEG (sold separately)
