ASC-C ASCENT LIFT

The Ascent Table Collection features fluid lines and a graceful inverted "Y" leg structure. The tables fold and store in the most compact footprint possible.

Features:

- Patented non-finger pinching mechanism
- Lever release unlocks the table so it can be folded upwards from its center
- Large universal casters are standard allowing for maximum mobility
- Beam and hardware are standard in Anthracite powdercoat finish

Standard sizes:
72" dia
32" x 84"
32" x 96"
32" x 104"
32" x 120"
